1. About SKS Cracker Shop

SKS Cracker Shop is a customer-focused crackers and fireworks business established in 2005. Over the years, the business has grown with a focus on product variety, customer service, value, and dependable festive-season support.

Our Journey

Since 2005, SKS Cracker Shop has served customers during Diwali and other celebrations. The business has developed from a local retail operation into a multi-location presence, serving families, businesses and community customers.

Our Business Focus

Product Variety	A broad selection of crackers and celebration products.
Customer Service	Friendly guidance to help customers choose products for their needs.
Value	Competitive pricing and suitable package options across different budgets.
Convenience	Multiple locations to make festive shopping easier for customers.

Vision

To build a dependable and recognized cracker-shop brand by combining customer trust, product choice, service quality and convenient locations.

Mission

To make festive shopping simple and enjoyable by providing customers with quality products, helpful service and practical choices for different celebrations and budgets.

2. Products & Customer Services

SKS Cracker Shop can serve a wide range of festive and celebration requirements. The product mix may vary by season, location and applicable local regulations.

Product Categories

Crackers	Sparklers, ground-based crackers, sound crackers and assorted festive packs.
Aerial & Celebration Items	Selected aerial and celebration products subject to applicable regulations.
Family Packs	Convenient combination packs for households and family celebrations.
Gift / Bulk Packs	Suitable options for gifting, community functions and bulk requirements.

Customer Experience

Our approach is built around easy product selection, clear communication, seasonal availability, and helpful assistance for customers. Customers can choose products based on celebration type, family requirements and budget.

Safety & Responsible Sales

SKS Cracker Shop aims to promote responsible use of fireworks. Products should be purchased and used in accordance with applicable laws, age restrictions, safety instructions, local authority requirements and manufacturer guidance.
